"When I Must Leave You"

*When I must leave you
For a little while,
Please do not grieve
And shed wild tears
And hug your sorrow to you
Through the years.
But start out bravely
With a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness
On empty days,
But fill each waking hour
In useful ways,
Reach out your hand
In comfort and in cheer
And I in turn will comfort you
And hold you near;
And never, never be afraid to die,
For I am waiting for you
In the sky!*

The English Dept. is the largest department in Louisville. English I gives students proficiency in grammar skills. English II allows Sophomores to explore the various periods of American Literature. Juniors and Seniors are offered a choice of many classes, according to their own interests. Classes range from Shakespeare to Literature and its Transition to the Screen.

In the Foreign Language Dept., much emphasis is placed on the oral communication of each language. The media center offers audio-visual aid in learning foreign languages. One chance for Spanish students to be able to speak the language is on the annual fun-filled Olvera Street field trip.

Math students are being prepared for both careers and everyday life. Individualized math gives students the opportunity to think out problems by themselves and to work at their own pace. To stress its importance, a special class in the metric system, required for graduation, is given during SST's and Interterm.

In physical science and chemistry classes, students learn to conclude answers for themselves through hypotheses, data, and deductions. Biology introduces students to the animal and plant world, and physiology classes teach students about the human body. The science department has acquired both a new biology textbook and a microscope that magnifies 1000X.

The Social Science Department teaches mainly by student participation in discussion. Students are invited to share their views and opinions in class. Girls find that the courses offered are relevant to everyday life.

Louisville's Religion Department offers a variety of different classes that delve into different aspects of Christian living. It opens doors to personal growth and awareness. Classes from reading and discussing the Bible to active participation in community affairs are offered.

The PE Department now offers many electives including golf and tennis. The classes give an appreciation of physical activity which ends with a relaxed body and a sound mind. Dance I and II attempt to let the students express themselves through bodily movement.

Students who find that they are drawn to the playing of the guitar can add to or improve their skill through guitar classes with Mr. Ralph Grasso after school.

The Art Department provides students with many opportunities for self-expression. This is accomplished through such means as increased course offerings and the use of A-V materials.

The classes in the Home Ec. Dept. are always changing to meet the needs of the students. All of the classes will benefit each student in a practical aspect of living, such as nutrition.

Courses such as Finance and Management, and typing give students a basic business background which may be used throughout their lifetime.

HOMEWORK?

While Sister Frances was principal, many new curriculum programs were initiated, including SST, Inter-term and individualized instruction. Resource Centers for all departments were also created. The number of electives at Louisville has tripled in these eight years. Both the Counseling staff and the administration increased under Sister's leadership. Students now have Student Senate, Administrative Council and a Curriculum Committee, in addition to Student Council. All of us thank you for these improvements that challenge us to grow personally, and as members of the Louisville community.

To leave is to die a little;
 It is to die to what one loves.
 One leaves behind a little of oneself
 At any hour, any place.

1. Louisville cheerleaders are a Tower of Power.
2. The Boomerang!
3. We're SURE!
4. Cheerleader unity is expressed at the Volleyball Appreciation Assembly.

The team did very well this year, winning in their league, and tying for third in the Semi-Finals. Everyone is proud of them, and appreciative of the effort and school spirit put forth by the team members, the captains, Cathy Miceli and Angie Leaper, and Mrs. O'Connell. The teams' effort was shown in their facing obstacles such as meeting their most challenging opponents only in the play-offs. Bridget Cross and Pete Gaudino showed their spirit when they had to cope with injuries and disappointment at not being able to finish playing their games. The school showed their appreciation in a special assembly for the team and cheerleaders.

1. Varsity Volleyball Team: LEFT TO RIGHT: (standing) Teresa Gaudino, Chris Posivak, Lisa Reeves, Wendy Cummings, Chris Carrabino; (kneeling) Adri Esnard, Cathy Miceli, Angie Leaper, Bridget Cross. Coach-Mrs. Marla O'Connell.

3. The Volleyball team receives a grand welcome at the Volleyball Appreciation Assembly.

This year the junior varsity won in their league. Their unity is reflected in the way they play and in their continued efforts to improve their game through constant practice.

1. Junior Varsity Volleyball Team
Members: LEFT TO RIGHT: (top row) Donna Esposito, Heidi Wolfahrt, Sue Mc Clean, Lisa Larrabee; (2nd) Nancy Gorski, Katie Cross, Amy Barbera, Mary Alexander; (3rd) Peggy Hutchison, Katy Kostyzak, Janet Simmons; (4th) Colleen McNamee, Anne Parker. Coach-Miss Sharon Spencer.

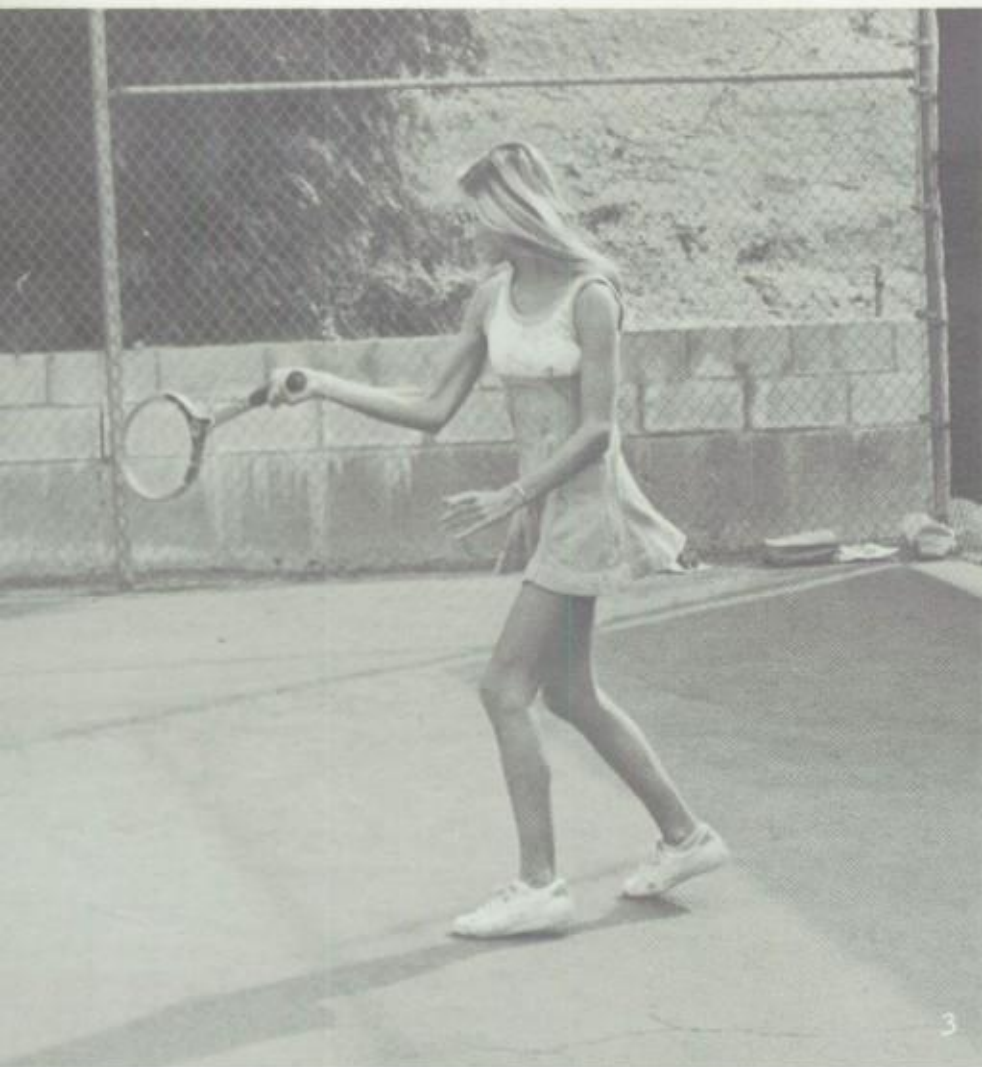

The Varsity Tennis team was outstanding once again this year. They showed their mark of excellence by placing first in their league, advancing to the first round in play-off competition.

2. "Look out; Connors, here comes Cordon!"
3. "... here it comes!"

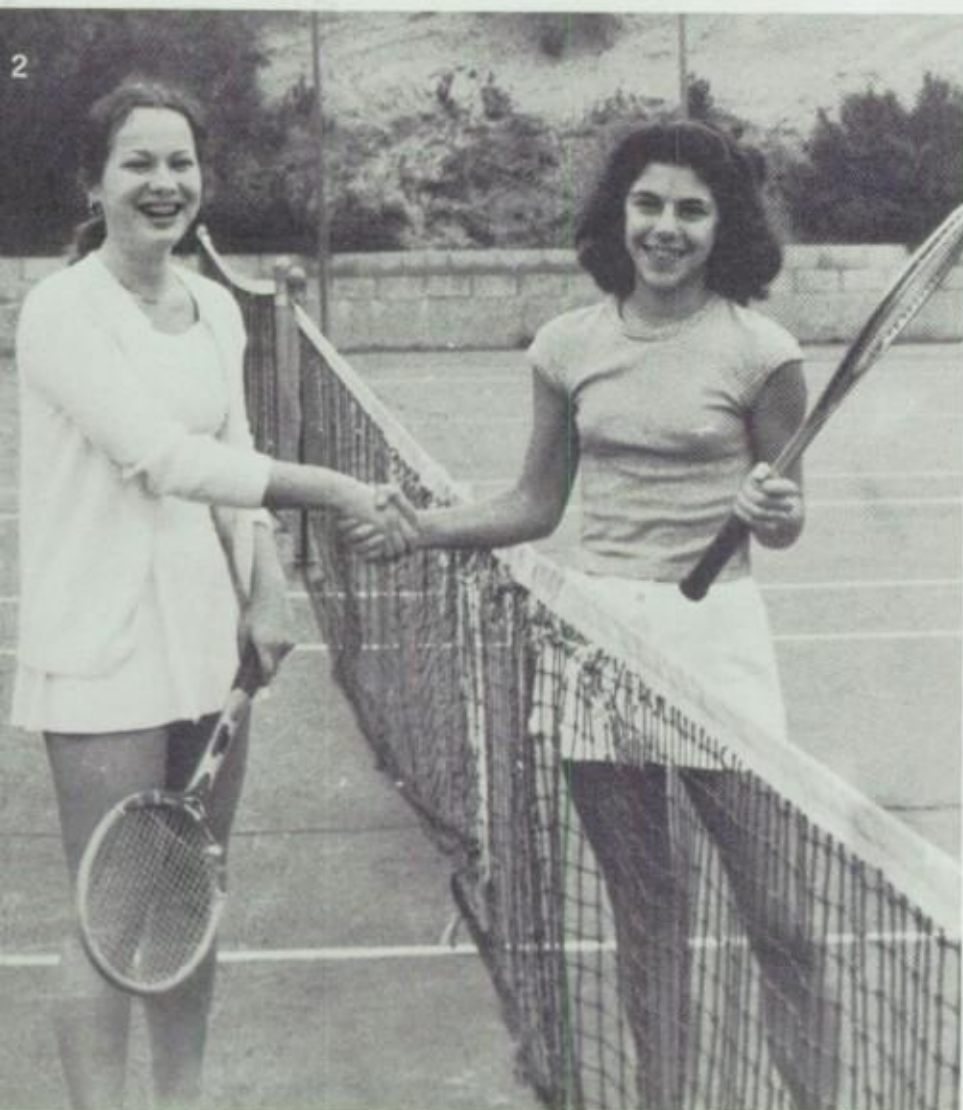

With the emphasis placed on practice and improving skills rather than interschool competition, the Junior Varsity tennis team, under the direction of Mrs. Knarr, heralded their own successful season.

2. Kathleen Moreno and Kathy Brandolino end a competitive match in the usual sportsmanlike style.

The Varsity Basketball team proved to be nothing short of outstanding this year. Under the strenuous, but excellent coaching of Mrs. O'Connell the team continually marched on to victory time and time again. The team captains were Katie Cross and Laura Hurlbut. Katie is noted for her "fast break" and superb ball handling. Laura has an outside shot which just cannot miss. Bridget Cross, Senior, was excellent in rebounding. Suzy Boyett, Junior, would jump high into the air for the jump ball. Chris Posivak, Junior, had an outstanding backdoor shot. Dina Champion, Junior, was always ready for anything. Anne Parker, Junior, helped in making points for the team by throwing perfect passes and increasing team spirit. Sophomores Sue Pinza and Marianne Murphy were noted for their aggressiveness and reliability. Mary Alexander, Freshman, was especially good in being in the right position. Mrs. O'Connell faithfully coached the team with an undying spirit and endless encouragement. We should be very proud of our team for their hard work and team spirit.

"Everyone on the end line!"

1. Team Members: (top row) Laura (Hot Dog) Hurlbut, Chris (Grumpo) Posivak, Suzy (Giggles) Boyett, Bridget (Clown) Cross, (2nd row) Mary (Baby) Alexander, Katie (Shy) Cross, Marianne (Boz) Murphy, Sue (Shy Jr.) Pinza, (1st row) Dina (Brownies) Champion, Anne (Social Butterfly) Parker. missing: Mrs. (Suicidal) O'Connell

"We tried to make pineapple cookies, but they didn't turn out right because we forgot to put the pineapple in." Sayings such as these were heard throughout the enjoyable week known as "Inter-term." Inter-term, the week between the first and second semesters, allowed students to take unusual, exciting and worthwhile courses. Classes ranged from water ballet to parapsychology to a trip canoeing down the Colorado River. Inter-term proved to be fun for all. HONDA CIVIC CVCC SEDAN

You already know the phenomenal acceptance of the Honda Civic—in 1975 it went from twelfth to fourth place in the imported car field. And now there's a little more car from Honda—the Accord. It gives you Honda mileage (44hwy/31 city in EPA estimates),* CVCC Advanced Stratified Charge Engine, 5-speed transmission and an imposing list of standard features that becomes even more imposing when you compare our price.

*5-speed transmission. The actual mileage you get will vary depending on the type of driving you do, your driving habits and your car's condition and optional equipment.
